

# CAMP TABLE

by Elton Bell

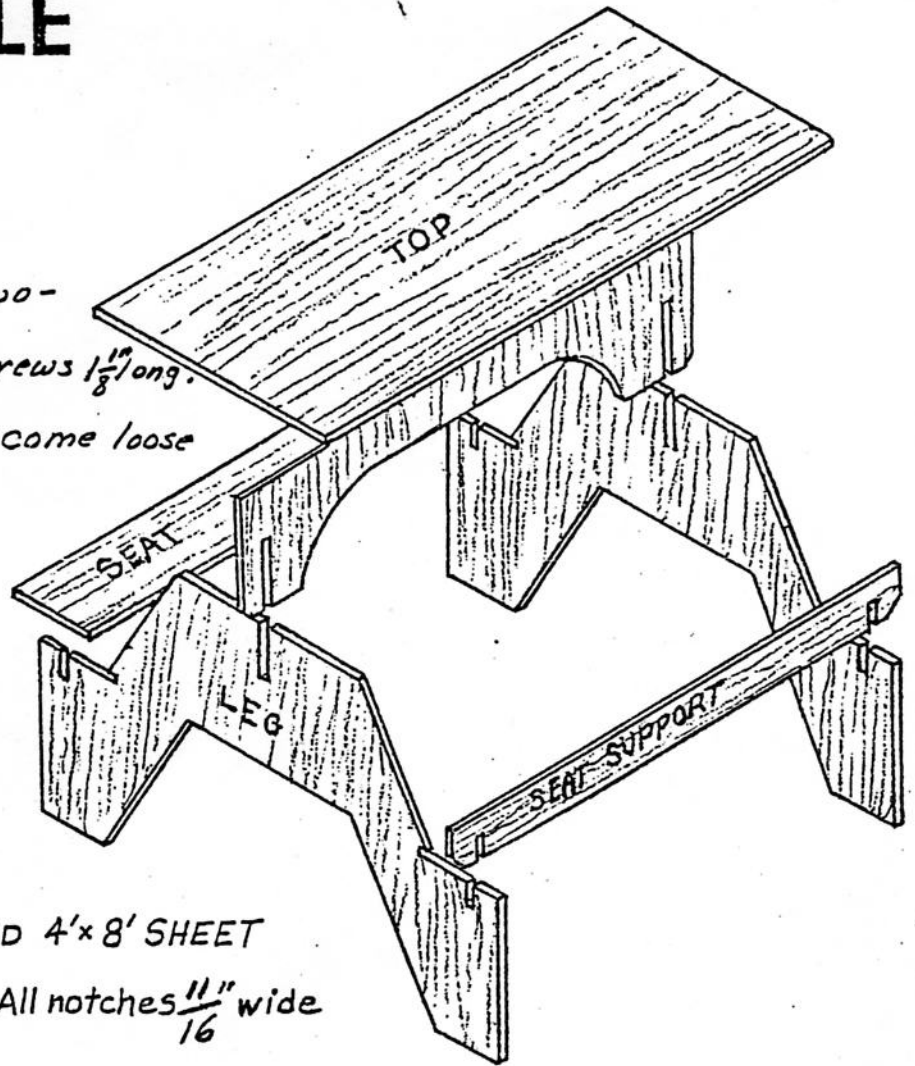

Here's a great idea for a portable camp table. Just follow instructions.

Notes: (Revision)

1. Attach cleats using two-hex head sheet metal screws  $1\frac{1}{8}$ " long.  
Cleats that are nailed become loose and come off.

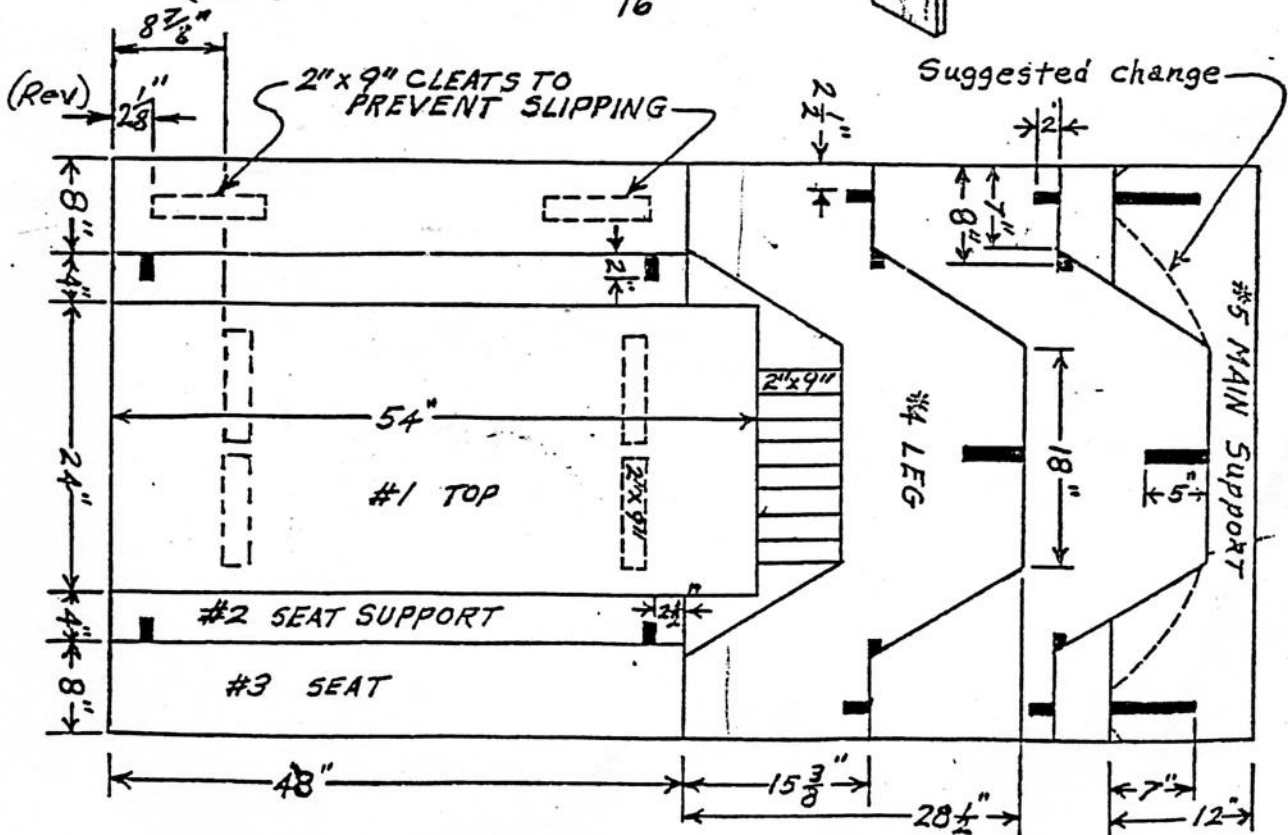

2. Paint

- a. Two coats Latex outside Primer.
- b. One or two coats Latex Outside Paint.

MATERIAL:  $\frac{5}{8}$ " PLYWOOD 4'x8' SHEET

(Rev.) Note: All notches  $\frac{11}{16}$ " wide
